Ethan,

It's Friday + its been raining all day. Its suppose to stop around 5:00, it's eleven oclock right now.

How are you doing today? Yesterday I mailed you 3 letters since finding a mailbox isn't easy sometimes. As soon as we get to our permanet Address I will let you know what it is.

When its raining where your at, do they make you run in the rain or do they have a place inside?

I can't wait to see you to see if you can whip my ass. LOL. I hope everything is going ok with you. Keep your faith, God has a plan for you, trust him.

How are your buddies doing? Have you been asking questions to your Jewish buddy, why they don't believe in Jesus?

You should be talking to as ~~many~~ MANY people as possible to learn about what other people believe in. There is probably a great diversity of men in your platoon.

Well I'll close for now + hope your ok. I love you very much + am looking forward to your Christmas break.
